

How do you live in a way that pleases God?
*Starting with the **W**, write every other letter around
the wheel to read Paul's answer. Go around twice.*

“ W _ _ _ _ _ _ _ _ _ _

_ _ _ _ _ _ _ _ _ _ _ _ _ _ _ _ ,

and you will not gratify the desires of the flesh.”

A *debt* is something you owe to someone else. Owing can be a crushing load! In Romans, Paul says you should pay what you owe, so that only one debt remains, a debt that never goes away. In this way, you fulfill the law of God. Use the code to read what debt is Paul talking about.

“The hour has come for you to wake from sleep.”

Romans 13:11

Now that Jesus has come, our salvation is nearer than ever. Wake up! You have work to do! “Take no part in the unfruitful works of darkness, but instead expose them.” Ephesians 5:11.

After you wake up, get dressed. In Romans 13, Paul tells believers to “put on the armor of light” (v. 12) and “put on the Lord Jesus Christ” (v. 14). In Ephesians 6, he lists pieces of “the whole armor of God.” *Can you identify them?*
